Subject: The Wyoming Fine Arts Center Pride Statement  
Preheader:

**The Wyoming Fine Arts Center (The Center) is an ally to the LGBTQIA+ community in both the City of Wyoming and the community at large. This means that we believe that everyone deserves to feel safe, welcome, respected, included, seen, and heard.**

**As a collective member of this community, we believe it is our responsibility to speak up when discrimination happens.**

**The Wyoming Fine Arts Center expresses our solidarity with our LGBTQIA+ brothers and sisters here in Wyoming and beyond.**

**The Center's mission is to educate, create experiences, and nurture appreciation in music and other creative and performing arts across all ages, races, abilities, and backgrounds.**

**Diversity is what makes us stronger. Sharing ideas, valuing our differences, and celebrating our successes together is what makes The Center a special place to foster creativity. We will continue to be here for you.**

**"Human dignity is the same for all human beings; when I trample on the dignity of another, I am trampling on my own." - Pope Francis**
